Program Guidelines

I. Deployment is not a "permanent change of station." Permanent change of station requires a service member to permanently change his or her place of residence, paid for by the applicable military branch. A service member's decision to keep a secondary residence in Arizona would be discretionary and would not qualify for this credit.

2. Deployed member does not have family living in the premises. Short term deployments, where a spouse, and/ or dependents remain in the United States would not qualify, as the service member would receive separate compensation from the military to cover domestic expenses while deployed.

3. The deployed service member is an active member of the military (e.g., Air Force, Army, Coast Guard, Marines, and Navy), as defined by 10 U.S.C. § 10l(a)(4) and includes any member of the Reserves or National Guard called to active duty.

Administration

 Participation shall be determined on a first come, first served basis.
Each service member's eligibility must be verified based on written orders from the service member's command.

3. Continued eligibility will be determined periodically through a recertification process.

4. The Company is permitted to seek Commission approval to change participant limits based on level of participation.
