Program Guidelines

- 1. Deployment is not a "permanent change of station." Permanent change of station requires a service member to permanently change his or her place of residence, paid for by the applicable military branch. A service member's decision to keep a secondary residence in Arizona would be discretionary and would not qualify for this credit.
- 2. Deployed member does not have family living in the premises. Short term deployments, where a spouse, and/ or dependents remain in the United States would not qualify, as the service member would receive separate compensation from the military to cover domestic expenses while deployed.
- 3. The deployed service member is an active member of the military (e.g., Air Force, Army, Coast Guard, Marines, and Navy), as defined by 10 U.S.C. § $10I(\alpha)(4)$ and includes any member of the Reserves or National Guard called to active duty.

Administration

- 1. Participation shall be determined on a first come, first served basis. 2. Each service member's eligibility must be verified based on written orders from the service member's command.
- 3. Continued eligibility will be determined periodically through a recertification process.
- 4. The Company is permitted to seek Commission approval to change participant limits based on level of participation.

Household Income

Your gross annual household income falls within the ranges listed below: That means your combined household income (before taxes) from all sources must be no more than the following:

Maximum Gross Annual Household Income Number of Persons in Household Total Combined Annual Income

1	\$31,300
2	\$42,300
3	\$53,300
4	\$64,300
5	\$75,300
6	\$86,300
For each additional household member add	\$11,000

Upper Limit Calculation = 200% of Federal Poverty Guidelines.

- 5. Rebilling: Customers may be re-billed retroactively for periods of ineligibility under the applicable rate schedule.
