### WATER DIVISION & WASTEWATER DIVISION

#### ALTERNATE RATES FOR WATER AND WASTEWATER LOW INCOME TARIFF

In the Decision the Commission approved an Alternate Rates for Water and Wastewater (“ARWW”) Tariff (“Low Income Tariff”), which is designed to provide relief to RRUI’s lower income ratepayers. The Low Income Tariff applies to residential, single family accommodations and provides for a 15 percent discount applied to the regular tariffed rate for those customers who meet the program qualifications. Initial qualifying annual incomes are set at 150 percent of the 2009 federal poverty levels as follows and will be updated annually:

<u>No. of Person in Household</u>	<u>Total Gross Annual Income</u>
1	\$16,245
2	\$21,855
3	\$27,465
4	\$33,075
5	\$38,685
6	\$44,295

For each additional person residing in the household, add  
\$5,610

Customers eligible for the ARWW program must complete an Application and Declaration form, and supply proof of income. Customers enrolled in the ARWW program are required to reapply every two (2) years, or sooner, if requested, and annually recertify by submitting a declaration attesting to continuing eligibility. The ARWW program is limited to 2,200 water division customers and 725 wastewater division customers. A waiting list will be available in the event the participation cap is met.

**For more information, or to obtain a copy of the ARWW program forms, please contact Liberty Utilities (Rio Rico Utilities, Inc.) at:  
1225 W. Frontage Rd, Rio Rico, Arizona 85648 or 520-281-7000.**
