

ABOUT THE PROGRAM

Water efficiency is top of mind for Liberty. That's why we offer a no-cost water audit for customers who want to be more efficient with their water use.

Participants will receive a thorough virtual evaluation of their home as well as a report with suggestions on how they can cut back on their water use. This program is free to customers and available throughout the year.

**YOU DON'T HAVE
TO MAKE DRASTIC
LIFESTYLE CHANGES
TO USE WATER WISELY.**

PROGRAM ELIGIBILITY

- You must be a water customer of Liberty.
- You must be present at the time of the audit

PROGRAM BENEFITS

Each audit will help identify any leaks in your home. The report will also include suggestions for repairs, retrofits, and adjustments that may help save water. As a participant, you will receive conservation-themed materials, including regionally specific landscaping and gardening tips, to help you identify ways to improve your water-use efficiency.
