(DOCKET NOS. W-02060A-23-0339, AND W-02060A-24-0033**

Summary

On December 28, 2023, Liberty Utilities (Cordes Lakes Water) Corp. (“Liberty Cordes Lakes”) filed an application with the Arizona Corporation Commission (“Commission”), in Docket No. W-02060A-23-0339 requesting adjustments to its rates and charges for water utility service. On January 30, 2024, Liberty Cordes Lakes filed an application with the Commission in Docket No. W-02060A-24-0033 requesting authority to issue evidence of indebtedness in connection with the purchase of equity.

As part of this rate case, Liberty Cordes Lakes also **proposed consolidation** with Liberty Utilities (Beardsley Water) Corp. (“Liberty Beardsley”), Liberty Utilities (Bella Vista Water) Corp. (“Liberty Bella Vista”), and Liberty Utilities (Rio Rico Water & Sewer) Corp. (“Liberty Rio Rico”) at Docket No. W-02060A-24-0032. Liberty Beardsley, Liberty Bella Vista, and Liberty Rio Rico have concurrently filed applications requesting (1) adjustments to their rates and charges for water and wastewater utility service, and (2) evidence of indebtedness in connection with the purchase of equity.

The eight dockets related to adjustments to rates and charges for water and wastewater service and issuing evidence of indebtedness in connection with the purchase of equity were consolidated for hearing purposes.

Liberty Cordes Lakes Rate Request (Docket No. W-02060A-23-0339)

In its rate application, Liberty Cordes Lakes proposes rates both on a stand-alone basis and on a consolidated basis with Liberty Beardsley, Liberty Bella Vista and Liberty Rio Rico.

Stand-Alone Rates

On a stand-alone basis, Liberty Cordes Lakes requests authorization to increase its water rates to generate total revenues of \$2,017,408. This would constitute an increase in revenues of \$1,367,617 or 210.47 percent, over adjusted test year revenues of \$649,791, resulting in an 8.08 percent rate of return on Liberty Cordes Lakes proposed fair value rate base of \$7,514,781. If Liberty Cordes Lakes’ request is granted as proposed, on a stand-alone basis, the average monthly bill for a residential customer would be \$100.75, a \$70.68 or 235.11 percent increase to the present average monthly residential bill of \$30.06.

In addition, Liberty Cordes Lakes requests approval of a rate case expense surcharge and has calculated the proposed surcharge to be \$1.13 per customer per month for three years on a stand-alone basis. With the rate case expense surcharge, on average, a residential customer would pay \$101.88, a \$71.82 or 238.92 percent increase to their current monthly bill.

Consolidated Rates

If Liberty Cordes Lakes' rates are consolidated with those of Liberty Beardsley, Liberty Bella Vista and Liberty Rio Rico, Liberty Cordes Lakes residential customers, on average, would see a monthly increase of \$16.95, or 56.39 percent, from \$30.06 to \$47.01. With a proposed rate case expense surcharge of \$0.86 per customer per month, residential customers, on average, would pay \$47.87, a \$17.81 or 59.25 percent increase.

Liberty Cordes Lakes also proposes adoption of a Customer Assistance Tariff, the cost for which would be assessed against all non-participating customers, to be recalculated annually.

Liberty Cordes Lakes' Request for Financing (Docket No. W-02060A-24-0033)

Liberty Cordes Lakes seeks Commission approval of long-term debt financing for the purpose of rebalancing Liberty Cordes Lakes' capital structure of 77 percent equity and 23 percent debt to a capital structure of 54 percent equity and 46 percent debt (Docket No. W-02060A-24-0033). If Liberty Cordes Lakes' application is granted, Liberty Cordes Lakes will borrow the amount necessary to achieve a capital structure consisting of 54 percent equity and 46 percent debt. This amount is currently estimated to be \$5,000,000.

In the event of the consolidation of Liberty Beardsley, Liberty Bella Vista, Liberty Cordes Lakes and Liberty Rio Rico as requested for consideration, Liberty Rio Rico (Consolidated) seeks Commission approval of long-term debt financing for the purpose of rebalancing capital structure of 100 percent equity and 0 percent debt to a capital structure of 54 percent equity and 46 percent debt. This amount is currently estimated to be \$33,000,000.

THE COMMISSION IS NOT BOUND BY THE PROPOSALS OF LIBERTY CORDES LAKES, STAFF OR ANY INTERVENORS. THE COMMISSION WILL DETERMINE THE APPROPRIATE RELIEF TO BE GRANTED IN RESPONSE TO THE APPLICATION OF LIBERTY CORDES LAKES BASED ON THE EVIDENCE PRESENTED IN THIS MATTER. THE FINAL RATES APPROVED BY THE COMMISSION MAY BE HIGHER, LOWER, OR DIFFERENT THAN THE RATES PROPOSED BY LIBERTY CORDES LAKES OR BY OTHER PARTIES.
