Tax Reform Savings Passed Along to Customers

Docket # W-01427A-18-0211, SW-01428A-18-0211
Decision 76800

Regulated utilities collect local, state, and federal taxes as part of the cost of services provided to customers. The Tax Cuts and Jobs Act of 2017 reduced the corporate tax rate from 35 to 21%.

To pass along the savings generated from the change in the corporate tax rate, Liberty Utilities (Litchfield Park Water & Sewer) Corp. submitted an application to the Arizona Corporation Commission (ACC) requesting to refund our customers. On July 19, 2018 the ACC approved the Company's application to refund approximately **\$694,000** to the company's residential and commercial water customers and to refund approximately **\$508,000** to the company's residential and commercial sewer customers.

Customers will receive a **one-time credit** to refund corporate taxes that were collected from January 1, 2018 – July 31, 2018 at the previous tax rate. Liberty Utilities (Litchfield Park Water & Sewer) Corp.'s new rates effective August 1, 2018 have incorporated the new federal tax rate as listed in decision 76799.

Examples:

One Time Credit – A typical residential water customer with a 5/8X3/4 inch meter will receive a one-time credit of **\$13.09**.

A typical sewer customer will receive a one-time credit of **\$16.17** on their September bill.

For a complete list of the one-time credits by meter size and type, please visit our website at www.libertyutilities.com and select the rates tab.
