-  **Automatic Payments with SurePay:** Sign up for Autopay with Surepay and your monthly payment will be automatically deducting from the account of your choice. Visit libertyutilities.com and click on "Make Payment" to sign up for SurePay.

Local and Responsive. We Care.

Final Closure of the Carefree Wastewater Treatment Plant

Liberty Utilities (Black Mountain Sewer) Corp. has owned and operated the Carefree Wastewater Treatment Plant ("Carefree WWTP") located in the Boulders for more than 40 years. During those years, Liberty Utilities has provided safe and reliable wastewater service to its customers through the operation of that plant.

Under a Decision issued by the Arizona Corporation Commission, Liberty Utilities was ordered to close the Carefree WWTP on or before November 30, 2018 and, in turn, construct new infrastructure to send wastewater flows to the City of Scottsdale for treatment. As of November 30, 2018, Liberty Utilities ceased operation of the Carefree WWTP and re-routed

wastewater flows through existing and newly constructed wastewater infrastructure to the City of Scottsdale for treatment.

Liberty Utilities then deconstructed the Carefree WWTP, decommissioned the plant site and prepared

the land for residential use. These photos show the Carefree WWTP plant site as it existed before closure and the land as it now exists after closure of the plant.

That land is located near the 16th hole of The Boulders Golf Club North Course and will be listed for sale in early April 2019. **For questions regarding the land please contact Real Estate agent Stacey Paluscio at (602) 526-9421.**
